

LITORAL

Client:  **PEMEX**

Location: Litoral Tabasco (Gulf Of Mexico)

Construction Site: Tampico Yard - Mexico

Completion Date: May 2011

Contract Type: Lump Sum

Total Weight: 7,000 tons

Project Description: HA-LT-01 is an accommodation and utilities platform with capacity for 220 beds, which stands on top of the main multi-purpose deck supported by a jacket. The platform is linked to the other existing platforms in the Litoral field via a bridge.

Scope of Work: Our SOW included the engineering, procurement, construction, onshore pre-commissioning and commissioning, transportation, installation, hook-up, commissioning and start-up (EPCI). In the gathering platform our work consisted on an electrical room and cantilever for supporting the interconnecting bridges.
